Specifications

- **Cabinet**
White finish.
- **Dimensions: 10½" H, 11½" W, 13" D**
- **Approx. Shipping Weight: 19 Lbs.**
- **Carton: 4-Color Decorative**

Remote

► **Easy Clean White Remote** **CRK231C**

Innovative washable keypad remote controls TV power, volume and direct access of channels, plus picture adjustment functions. The convenient hoop hanger permits hanging of remote and the rubber bumper provides added durability and protection.

Picture

- **Hi-Con Picture Tube**
Increases contrast under bright room conditions.
- **Picture Reset**
Instantly returns picture to factory settings for Color, Tint, Contrast, Brightness and Sharpness.
- **181-Channel Tuning Capability¹**
Digitally controlled frequency synthesis tuning system "locks on" to cable and standard signals with unsurpassed accuracy.

Sound

- **Front-Fired Speaker System**
Front-fired full-range frequency drivers provide excellent imaging while localizing voices at the screen.

Convenience

- **Quick-Release Under-Cabinet Swivel Bracket**
Under-cabinet mounting bracket allows you to swivel the TV for optimum viewing.
- **Trilingual On-Screen Display**
Allows the on-screen menu system to be displayed in one of three languages (English, French, or Spanish).
- **Programmable Timer System**
Convenient scheduling system can be used in a variety of ways:
 - **Sleep Timer**
Automatically turns off the TV after a preset time period—for those times when you drift off to sleep in front of the television.
 - **Alarm Timer**
Wake up to your favorite morning show or turn on your television automatically to catch your favorite program.
 - **Scheduling Timer**
Since the alarm setting remains in the TV memory indefinitely, the TV can be scheduled to turn on at the same time every day.
- **Advanced Auto Channel Search**
Auto Cable/Air Switch sets tuner to cable or "off-air" frequencies during initial setup. Then system automatically scans for and locks active channels into channel memory.
- **V-Chip Parental Control**
Puts control back into the hands of the viewer by blocking unwanted television broadcasts with NEW U.S. Government required circuitry. Blocks three types of programs: regular television programs, broadcast movies and unrated programs.
Program rating information is sent by the broadcaster before the beginning of each program. The television will match program rating to user preference and block the entire program. User preference is secured using a four-digit password.
- **On-Screen Time and Channel Display**
Displays time and channel number during channel change or at the press of a button.
- **On-Screen Menu System**
On-screen displays make it easy to adjust most picture, sound, and convenience features from the remote control.
- **Front Panel Lock**
Allows disabling of front panel controls. Prevents small children from changing settings.

Connections

- **Headphone Jack**
Listen privately with optional headphones.

Plus

- **Limited Warranty**
 - 90 days for labor charges.
 - One year for parts.
 - Two years for picture tube.
 - See RCA dealer for complete details.

¹ Check your cable company's compatibility requirements.
